CYCLE RIDE & DISCUSSION - SATURDAY 26TH NOVEMBER

The ride organised by Haywards Heath Councillor, Richard Bates is an opportunity to explore a circular on road route around the Town's Boundary - known as its Bounds. The ride will start at 10am from Haywards Heath Town Hall, followed by a coffee break with discussion from 11am.

The discussion can be anything you wish to raise about cycling locally and is intended to respond to the Neighbourhood Plan Consultation by creating a cycle network which could be implemented using Neighbourhood Planning gain funds.

A mapping exercise will be involved to identify key routes and major crossing points are essential where cycle parking is needed etc.

This is part of the Mid Sussex Cycling Campaign promoting cycling in Mid Sussex - formally under the umbrella SPOKES.
