

Haywards Heath In Bloom

Make our town Beautiful in 2026

- **Support** our entry for the Royal Horticultural Society's South and South-East England In Bloom (SSEIB) competition
- **Enter** our great Best Kept competitions for domestic gardens, allotments, business frontages and community gardens
- **Enjoy** our treasured neighbourhood resources and gardening projects

Watch out for exciting news on our Town Website:
<https://www.haywardsheath.gov.uk/haywards-heath-in-bloom>

In Bloom brings together gardeners, community organisations, businesses and schools to celebrate the richness and diversity of growing things. We aim to stimulate social interactions, make new friends, learn new horticultural hobbies and have a local say on how your community develops and grows by fostering a great sense of **community pride**.

Gold winners in 2024 for SSEIB

Gold award in the Large Town Category 2024 – Britain In Bloom

Neighbourhood projects include:

Grove Garden – a tranquil oasis in the heart of Haywards Heath

New Friends of Scrase Valley Orchard – reclaiming a long-neglected planting of over 40 apple trees of many varieties
